Your answers to the following questions will help us become familiar with the contribution you could make to the Family and Children First Council (FCFC).

1. Why would you like to serve on Warren County's Family and Children First Council?

2. FCFC members work with many different community agencies and service organizations to serve the needs of Warren County families. Tell us about your roles in organizations in your community, church, and/or school. Do you feel comfortable and confident giving your opinion to groups of people?

3. In addition to family representatives, FCFC is comprised of representatives from the following organizations in Warren County:

Abuse & Rape Crisis Shelter, Child Support Enforcement, Children Services, Warren County Commissioners, Community – Family Services, Early Intervention/Early Childhood, Educational Service Center, Head Start, Health District, Human Services, Juvenile Court, City of Mason, MR/DD, Ohio Department Youth Services, OSU Extension, Recovery Services, United Way, all local School Districts.

What kind of contact and working relationship have you had with any of these organizations?

4. Would you appreciate having a mentor your first several months of appointment on FCFC? A mentor would sit with you at meetings to explain and help clarify issues that arise during the course of meetings and follow-up with you.

5. Would there be any barriers that could prevent you from attending the bi-monthly daytime meetings on a consistent basis? If so, please explain.
